

Dear Parents/Guardians,

January 2012

We would like to offer all parents in years 5/6 the opportunity to buy a CGP Study Guide for English, Maths and Science.

These study guides are sold in shops for £4.50 but as a school we can order them for just £2.00 - £2.50 (£2.00 for English and Science and £2.50 for Maths), therefore we can offer them to you for this bargain price.

These study guides are published by Coordination Group Publication and cover all of the main areas that your child will need to know and understand in English, Maths and Science by the time they take their SATS in year 6. They are ideal for revising an area that your child has already learnt or going over an area that your child is confused about.

We would strongly recommend that all parents of year 5/6 children order this book. Please fill out the slip below and return it together the money. (cheques made payable to Bishop Ridley Primary School) in the yellow envelopes provided, clearly marked with your child's name, class and the words 'CGP Study Guide', and which book you would like to purchase.

Yours sincerely

Mrs A. Early
Co-Head Teacher

Miss S. Tullett
(Science Subject Leader)

Mr S. Martindale
